

SUPPORTED CYCLING HOLIDAYS

Our unique range of fully supported worldwide cycling holidays – both Road Cycling Holidays and Mountain Bike Adventures – are led by highly experienced, enthusiastic leaders, supported by an assistant leader driving a well equipped support vehicle to carry your luggage and provide any assistance you may need.

FAMILY CYCLING BREAKS

Bike Adventures now offers a carefully selected and ever expanding range of unique family and cycle friendly accommodation throughout France and the Channel Islands. All our hosts have received great reviews and understand the specific requirements of cycling families. The regions we have chosen are suited to independently-minded families looking to explore new areas.

INDEPENDENT CYCLING HOLIDAYS

Custom-made for independent cyclists! Most of our fully supported routes are available for independent use and, on some routes, we can offer different daily mileages to suit all abilities. You choose when you want to go, the length of holiday and your travelling companions. We book and pay for all your accommodation and provide you with a carefully researched route that utilises quiet, scenic roads wherever possible.

PRIVATE CYCLING HOLIDAYS

Life is short! We can create unique cycling experiences anywhere in the world. Do you have a dream journey or event? We have vast experience in making these holidays happen – so get a group of friends together and leave the rest to us.

CORPORATE/CHARITY CYCLING EVENTS

We love organising corporate cycling events. These cycling challenges are always great fun and help create a wonderful camaraderie between work colleagues, promote fitness, and usually raise significant funds for worthwhile causes. A real win-win. We can suggest routes, or take your ideas and make them happen. We can also organise side events, refreshments and distribution give-aways to help make an event special.

BIKE ADVENTURES HOLIDAYS

We are an independent cycle holiday company based in Shropshire, UK. We offer a wide range of cycling holidays spanning the globe. Each trip has been carefully researched, and we always ensure you can cycle at your own pace; we won't rush you or insist you cycle in a peloton... and we'll be on hand at all times to help you reach your destination.

HOW TO BOOK YOUR CYCLING ADVENTURE

If you would like to speak to us before booking your holiday, feel free to give us a call – we can secure your reservation over the phone immediately. We are always happy to talk through your travel plans and ensure the holiday you pick is a good match for your cycling experience!

Or email us and we promise to reply to your enquiries promptly. You can also book your holiday online at www.bikeadventures.co.uk, and we are always keen to receive comments and feedback via our social media channels listed below.
